Phonics play

Sumdog

E-SAFETY

Internet is an enjoyable experience for young people.

Good for exploration and beneficial learning opportunities

Good communication tool

Important for you to think about internet safety as soon as children begin using it

TIPS FOR KIDS

- ◉ People are not always who they say they are online
- ◉ Keep gaming friends "in-game"
- ◉ Don't give out personal information
- ◉ Learn the reporting processes in the game
ie. delete user, tell mum and dad

Safety in the home

- ◉ Fire safety - Fireworks

Curriculum topic for Autumn

Wonderful World and I

Geography - About the local area

My place in History

History - Discussing significant events

PHONICS

- Letters and Sounds - Contains games and activities we use to help children with phonics. Available online for FREE.
- Children are taught to read by breaking down words into separate **sounds** or '**phonemes**'. They are then taught how to **blend** these sounds together to read the whole word.
- Children have a 20 minute daily phonics lesson every morning.
- Children will be assessed each half term using past phonics papers. In Summer term there will be a Phonics screening test.

HOW CAN YOU HELP?

Children can also practise their phonics by playing games online.

- Web links: Mr Thorne does phonics, Phonics Play, Alpha Blocks

And finally, keep reading with your child **every day!**

READING AND CHANGING BOOKS

- ◉ Please read with your children everyday and please comment/sign their reading record each week.
- ◉ Reading does not have to only be the books from school.
- ◉ We will change the book once a week.
- ◉ The children need to be secure with the comprehension relating to any book.
