Stunning Start

The journey will begin with our stunning start day where children will go on a virtual tour of the local area, looking at the different types of houses. Will we find houses made of sticks and straw, or just bricks? We will then make our own junk modelling houses, exploring different 3D shapes.

Fantastic Finish

We will end the term with a 'Fantastic Finish' on Friday 12th July 2024 to celebrate the topic and the children's achievements. Children will come in dressed as an animal of their choice.
